### **ADMINISTRATOR'S REPORT – Eric Lewis, CEO**

#### ***State Department of Health Licensing Survey***

Mr. Lewis announced OMC hosted three surveyors from State Department of Health for four days beginning January 25, 2010 who surveyed the facility for the state relicensing purposes. Four recommendations for improvements were presented by the surveyors and a plan of correction is currently underway to address these deficiencies.

#### ***2010 Equipment Purchases***

Mr. Lewis presented planned budgeted purchases for 2010 including a wide bore CT and linear accelerator for radiation oncology; new equipment for digital mammography and digital bone density; upgrades for the CT and MRI; digital video equipment for minimally invasive surgeries and other surgical equipment.

New internal signage for the hospital including free standing informational kiosks, ceiling signs and other interior hospital signage was presented at the cost of \$171,450 plus tax for signs and installation. Exterior signage for the Sequim Campus was presented at the cost of \$84,128.85 plus tax for signs and installation. Purchase will be requested at a future meeting. See attached slides.

**NEW BUSINESS**

***Pulmonary Function Equipment***

Assistant Administrator Pamela Hawney introduced the request to purchase two Master Screen pulmonary function test (PFT) units. Tests are offered in both Port Angeles and Sequim and the number of tests performed yearly continues to increase. The current equipment was purchased in 1992 and requires replacement. The budgeted amount for two units is \$106,815.56 includes tax and the \$28,000 IT interface. The budgeted amount was \$112,000. However, additional amounts need to be budgeted to link these machines to Meditech in 2011. The Board Budget and Audit Committee has reviewed and recommended approval of this equipment and the turn around time is 45 to 60 days since the equipment is manufactured per order in Germany. Past Chief of Staff Mark Fischer, MD added this new equipment would be especially critical with a new pulmonologist joining the medical staff this year.

Commissioner Cammack requested the board approve the purchase of the equipment immediately instead of waiting until the next meeting.

***MOTION:*** To approve the purchase of two Master Screen PFT units at the cost of ONE HUNDRED SIX THOUSAND EIGHT HUNDRED FIFTEEN DOLLARS AND FIFTY SIX CENTS (\$106,815.56) including tax as presented. ***Motion carried.***
